August 2021

Let the Good Times Roll!
July was certainly a busy month for our residents and Staff at Woodbury Wellness Center and Stonebridge Assisted Living. We enjoyed celebrating Independence Day with many patriotic activities, crafts, and cooking events. August is sure to be full of good times as well. This month we have many fun and exciting activities planned such as ice cream socials, musical performers, crafts, and cooking demos from our wonderful dining services staff.

UPDATES!

We are so happy that family members and friends are able to take residents out for the day, or even for a few days. We do ask that you call ahead of time to let our staff know so that we can have everyone and everything needed ready for when you arrive. Also please remember to schedule your in facility visit with the receptionist or Rosemary so that we can make accommodations for residents that do not have a private room.

Please contact
Hayley at ext.338 or email
hospitality@woodburywellness.com to schedule your visit.
