Notice to Long Term Care Residents

Medicare Open Enrollment is about to start. It is more beneficial for Long Term Care Residents to have TRADITIONAL MEDICARE verses a Medicare Replacement Plan (Humana, UnitedHealthcare, ect..). Please DO NOT switch your family member to a replacement plan. The business office will be reaching out to any resident's family that currently has a replacement plan to discuss switching to Traditional Medicare for 2022.

Please contact the business office at ext 306 or 313 with any questions.
